You can even shop while you crop and pick up things to really make your projects "zing!" There is no formal instruction but our store workers are always glad to help with advice and suggestions. Reservations are suggested for all crop events as we do reserve seats and sell out frequently. Crops are limited to crafters 16 years and up unless noted.

CROPPING COURTESIES

We've come up with a few suggestions for those cropping with us to make sure everyone has a great time:

1. Pack light and bring in just what you are working on-we have lots of table space but want to keep the floors safe and clear.
2. Please keep your words sweet and your language G rated! We have lots of folks who count on Pictures in Time being "family friendly" all the time!
3. Call the store at 213-7891 and we'll open the back door for you to unload. Then, please park in a space away from the sidewalk so we can save our one space for regular shoppers.
4. Food trash goes in our big can by the restroom-save the one at your feet for paper trash-it will keep your space smelling fresh all day and into the night!
5. We welcome your Cricut machine! It can be set up and plugged in on our table in the die cut area and you won't have to work from the floor or take up your table space!
6. If you must cancel your crop time, your monies will be refunded in a store gift certificate. Cancellations are only accepted up to 48 hours in advance. If we have a wait list and can fill your spot, we are happy to give you a gift certificate for cancellations later than 48 hours.
